We are using "Starwin" chemicals and softeners from M/s Starwin perfect Mfg. Company Pvt. Ltd. Mumbai. We are extremely satisfied with their products. Their speciality products such as Active power, Pre wash, SM 99.0, Starch, for brightness and stain removing, have given us very good result.

Their products have proved to be quite cost effective and have increased the self life by giving more number of washes to the fabric. Their supplies and after-sales service are consistently prompt.
