To,
WHOM SO EVER IT MAY CONCERN

Dear,

Mam / Sir,

We have been using
detergents, stain removers, dye fixing
agents, liquid softeners, softener and
many more including PERC for
our dry cleaning Machine from
Starwin Perfect Mfg Company Pvt Ltd
We have been in business
from 2003. We are very happy
with their detergents. The quality is
consistent over the years with no
complaints.

Thank You
For White Cloud
