## To whom so ever it may concern

We are using " STARWIN" chemicals and softeners from M/s. Starwin Perfect Mfg. Co. Pvt. Lt. Mumbai, for washing of Hotel Linens ( Taj Ganges, Radisson, Ideal Tower ) F & B, Railways ( North Eastern ). We are extremely satisfied with their products. Their specialty products such as Active Power, Prewash, SM 99.0, Prime etc. for brightness and stain removing, have given very good results.

Their products have proved to be quite cost effective and have increased the self life by giving more number of washes to the fabric.

Their supplies and after sales services are consistently prompt.

We wish them all the Best.
