=====

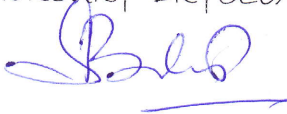

We are using "STARWIN" chemicals and softners from M/S. Starwin Perfect Mfg. Co. Pvt Ltd., Mumbai, for washing of Hotel / Restaurent Linens, (Rewant Hospitality P Ltd, Kwality Restaurant, Hotel Gaurav, Cawnpore Club, Trest Convenience P Ltd.) and Bed Rolls of North Central Railway. We are extremely satisfied with their products. Their Special Products such as Active Powder, Pre-Wash, SM 99.0, prime etc. for brightness and stain removing, have given us very good results.

Their products have proved to be quite cost effective and have increased the Self Life by giving more number of washes to the fabrics. Their supplies and after Sales service are consistently prompt.

We wish them all the best
